It's All Right

Please let us know how you like this project. At this time we have no immediate plans to continue this volume, because Paizuri doesn't care for it and does not wish to continue translation

If you would like to see more of it ShoujoMagic will consider continuing this project as a solo venture, so your feedback is important.

Also this is not an easy translation as it lacks furigana. So any help is appreciated

Thank you!!!

Ki Mizukawa's Super Job Hunt. Hikaru finally got on her own job as an editor for an H magazine! Though every day is a trial and everything goes wrong, by her unawakened gumption love and work can bloom as one. There are four other stories, like the just a bit unusual "An S Tragedy". Reading them will definitely get you going! They're Love Vitamin Comics!!

JUST BECAUSE I DON'T GET EXCITED DOESN'T MEAN I DON'T LOVE YOU...
